Mr. AVERY, from the Committee on Private Land Claims, made the following

## R E P O R T .

*The Committee on Private Land Claims, to whom was referred a bill for the relief of R. K. Doebler, report :*

That on the 4th day of November, 1851, a bounty land warrant, No. 10117, was issued for one hundred and sixty acres of land to one Samuel H. Dill, lieutenant in Captain Taylor's company, 1st regiment Mississippi volunteers, Mexican war, and that on the 28th November, 1851, said warrant was assigned to R. K. Doebler by the said Dill ; but that the assignment was made prior to the passage of the act making land warrants assignable, and was therefore declared void by the Commissioner of the General Land Office, who recommends as the only remedy of the assignee the passage of an act of Congress legalizing said assignment. The committee therefore recommend the passage of the bill.
